

ASSOCIATE IN ARTS (AA) DEGREE

Official MCCCDC Advisement Check Sheet

2005-2006 Catalog Year

The Associate in Arts degree is designed for students who plan to transfer to four-year colleges and universities. In general, the components of the degree meet requirements for majors in the Liberal Arts. The degree will transfer as a block without loss of credit to Arizona's public universities and other institutions with district-wide articulation agreements. Semester credits used to satisfy the AA degree will apply to university graduation requirements of the university major for which the AA is designed. See <http://az.transfer.org/cas/atass/student/modpath.html> and <http://www.dist.maricopa.edu/academic/curric> for further information.
