**Maricopa Community Colleges (MCCCD)
2013-2014 Associate in General Studies (AGS) Degree**

Description

The Maricopa County Community College District Associate in General Studies (AGS) degree is recommended for students whose educational goals require flexibility. The AGS allows students to choose any elective courses numbered 100 or above to complete the degree. Therefore, this degree may be less appropriate for students who intend to transfer to a baccalaureate-granting institution.

Students who demonstrate skills comparable to those in Critical Reading and/or Mathematics and/or Computer Usage may substitute acceptable elective courses to satisfy the total credits required for the degree.

Academic Policies That Govern the Associate in General Studies Degree:

- Requires a minimum of 60 semester credits in courses numbered 100 and above.
- AGS degree requirements follow with the use of a diagonal character (/) between course numbers to signify options. An asterisk (*) following the course number defines requirements with an effective begin term of spring;
- Requires grades as listed for specific areas such as the General Education Core where a minimum grade of “C” is required. Courses applied to other areas may be completed with a minimum grade of “D”;
- Uses the following policies for course(s) satisfying multiple program areas;
 1. A course can simultaneously satisfy one Core area and one Distribution area. Courses that meet this criterion are bold print and underscored in the Core areas and Distribution areas.
 2. A course cannot satisfy more than one Core area, even if it is approved for more than one Core area.
 3. A course cannot satisfy more than one Distribution area, even if it is approved for more than one Distribution area.
- Follows the graduation policies within the general catalog;
- Includes both courses and their modular equivalents; either the course or the modular equivalents will satisfy the Associate in General Studies;
- Accepts one of the courses that is cross-referenced with other courses.

Policies Supporting Student Success

Students who will be attending college for the first time (including students who received MCCCD credits through Dual/Concurrent Enrollment, ACE, Hoop of Learning, or any MCCCD early outreach program) and intend to earn a degree or transfer to a college/university will be required to:

- meet with an academic advisor prior to the start of their first semester at a MCCCD college;
- attend New Student Orientation prior to the start of their first semester.

Students who will be attending college for the first time (including students who received MCCCD credits through Dual/Concurrent Enrollment, ACE, Hoop of Learning, or any MCCCD early outreach program) and intend to earn an degree or transfer on to a college/university, and who test into one or more developmental education courses will be required to complete a college success course (CPD/AAA150 or CPD/AAA115) at a MCCCD college.

Students who test into courses that are below college level (i.e., below 100-level) will be advised and placed into the courses within the first two semesters enrolled.

Students are required to complete a course placement test under any one of the following conditions:

- The student is taking his or her first college credit English, reading or math course, or any college course for which English, reading or math is a prerequisite.
- The student is pursuing a degree or transfer pathway and does not have current valid district approved course placement scores on file or does not have previous college credit in English, reading and math.
